Clientele

DSpace Clients

Web Services Clients

DSpace Future @ Webinito

- Creating a New Theme in DSpace on the lines of Manakin, SWORD
- Attaining expertise in XMLUI
- Providing Hosted Solution in DSpace
- Certain Functionalities are available only through Commands. Aim is to integrate these in a UI
- Work in Progress on integrating Youtube, Scribd

Why Choose Us?

- Webinito has proven expertise in DSpace
- Webinito has a dedicated division & resources for DSpace along with a clearly defined Growth strategy
- Partners with HCL in providing Scanning and Complete Digitization Services
- Strategic Partnership with SK Patel Institute for providing Java Programmers
- Scale up of Programmers & Designers seen in Q4 of 2009

Thank You!!!
